Competition Rules

- 1) Individuals and organized groups can take part in the competition.
- 2) Competition will be organised according to the IKGH rules for organisation of ECH of guppy breeders. A set of 3 matching males in size and color will be judged. A matched female must be joined (under penalty of disqualification). Female will be presented in the tank with the males but will not be judged (IHS rule).
- 3) The number of competitors won't be limited. In case of bigger interest of competitors than technical possibilities allows, the organizer will limit the number of each exhibitor's collections. The application must include the exact number of collections and classified under the terms IHS 2023
- 4) Assessment of the collections will be carried out by the International internal standards for Guppy IHS 2023, as amended.
- 5) Technical conditions of the competition: 10 litres all-glass aquarium, black background, fluorescent lamp, water conditions: 9,5 N°, ph = 7,8
- 6) The jury's decisions are final.
- 7) The winners in each competition category will receive a call-Cups (trophies). Each participant will receive a certificate with their score achieved.
 - Total placement 1. 2. and 3rd place.
 - Winner of the category all categories.
- 8) All aquarist associations will receive the official result list.
- 9) After the competition the fishes remain at the organizer's disposal.
- 10) Any breeder wishing to take back his fish will pay 10 € per set when registering, and will not be able to take them back personally until the end of the exhibition.
- 11) By delivering of fishes to the organizer the participants of the competition do accept the competition rules.
